

Executive Headteacher: Ms Sarah Jane Bellerby

Dear Parent/Carer,

We have introduced a new assessment system called Tapestry which allows you to view your child's learning online.

It is important that you read the following:

- I understand that my child may appear in other children's learning journeys that other parents will be able to see when they are viewing their own children.
- I understand that the system will not be used as a daily report of what my child is doing at school (i.e. what they ate for lunch etc.)
- Login details are for parents and should not be shared with other members of the family or with friends.
- Evidence of your child must not be uploaded to social media.
- The parent uploads will be reviewed by the teachers before it is uploaded to the child's learning journey.
- At the end of Reception academic year your child's profile will be deleted.

Please indicate your consent below for the Tapestry Assessment System:

- I would like to have access to my child's learning journey online: **Yes** **No**
- I understand that my child may appear in other children's learning journeys that other parents can view: **Yes**
