

Wednesday 8th February 2023

Dear Parent/Carer,

We are writing to you to inform you about the evacuation that took place yesterday and today.

The alarm was pressed accidentally - however the facilities management team rightly evacuated the building. As the fire service had been called, we had to stay outside until the building had been checked. Whilst it was very cold outside, we appreciate your understanding that this was unavoidable.

We are now asking the council to look at both the height of the panels as well as covers for them.

We will, as always, continue to talk to the children so they understand what is happening and how to manage fire hazards.

Kind regards,

Sarah Jane Bellerby
Executive Headteacher
