FRIDAY 24TH MARCH 2023

ACTIVITY OF THE WEEK – PASSING TIME WITH PARENTS

We have had a very exciting week in Tiger Class. On Thursday we welcomed our parents into class to help us make costumes for our Gingerbread Man play. Thank you for everyone's help with designing and supporting the children with making their bumper harvest headbands. The children always

enjoy learning and playing with their families at school.

On Friday we held our very first school dance, The Spring Disco Dance! The children looked amazing in their party clothes! They absolutely loved sharing their dance with our families. Everyone had a fantastic time, from the dancing to the food we all shared. Thank you everyone who was able to join the children. We had an amazing Disco Dance!

UPDATES FROM SARAH JANE

Ramadan Mubarak to all our families who are marking this holy month. It's been wonderful to hear children in Tiger Class talk about how their families have begun Ramadan, plans to stay up for Iftar at the weekend and putting decorations up in the home.

This is a great opportunity for children to share their customs and traditions with one another, celebrating differences and learning about others' experiences.

School will be closed on Friday 21st April for Eid; we will also be arranging a celebration for children and parents nearer the time.

Have a lovely weekend, don't forget that the clocks 'spring' forward on Saturday night/Sunday morning at 2am

LOCAL AUTHORITY FAMILY SERVICES

SEND Forum 2023

Thursday 27th April
Tower Hamlets (TH) SEND
Forum Catch-up

Saturday 17th June

UPDATES FOR FAMILIES

Online Calendar

We now have an online [School Calendar](#) available for you to use and gather an oversight of upcoming events. These will clearly state when an event is for parents/carers to join, and all other events are listed for your information.

Password

If someone other than a child's parent/carer will collect them, please supply us with a password to confirm your consent. Each person who collects your child (who isn't their parent / carer) only requires **one password**. For instance, if Amy's mum collects Jordan every Wednesday, Jordan's dad would only need to give one password to Amy's mum for every time she collects Jordan.

Give Me 10 and Reading Workshop

On the first Tuesday of next term, we will be holding a workshop on getting the most out of reading with your children. This kickstarts our 'Give Me 10' project, where on every Monday and Friday of the term (apart from Monday 17th April) parents / carers are invited to read to their child for 10 minutes at the start of the school day.

STAR OF THE WEEK

This week's stars in Tiger
Class are:

★ Madina

For giving her best in every activity or task she tries

★ Harry

For always being kind and gentle to others while including them in his play.

In recognition, both have been given a certificate and a tiger to take home for the weekend. Harry and Madina will teach the tigers how to spot signs of Spring, and will bring in mystery objects for the class to discuss next week.
