

8th March 2023

Dear Parents and Carers

We are working with Bart's Health NHS Trust and Asthma Together Team to become an Asthma and Allergy Friendly school.

In our school, some children have nut allergies and it is very dangerous for them to be exposed to nuts. As the school grows, we may accept new pupils who also have nut allergies.

For these children to be safe in school we are a **Nut-Free School** and ask that you support this.

Please do not bring in any nut-based products into school or in the packed lunch. This includes chocolate spread, chocolates, cereal bars, and cakes that may have traces of nuts in them.

Thank you for helping our school be a safe environment for children with allergies.

Yours sincerely,

Sarah Jane Bellerby
Executive Headteacher
