## ACTIVITY OF THE WEEK – FEASTING TIGER, GROWING CATERPILLAR

Tiger class has been very busy this week! We had a visit from the Tiger in 'The Tiger Who Came to Tea'. The children were very excited and asked the Tiger many questions about what she did in the story.

Some of the children asked "Why did you not go to the café instead of Sophie's house?" The Tiger replied "I didn't know the way to the café so I went to Sophie's house."

The children have enjoyed observing the caterpillars as they grew and grew this week. The children made pom-pom caterpillars that they took with them to enjoy in their games. The very hungry caterpillars are getting ready for their next stage in their transformation. The children are very excited to observe the caterpillar's life cycle!

This week's stars in

In recognition, both have been given a certificate and a tiger to take home for the weekend. Ria and Dawud will teach the tigers how to make ice lollies, and will bring in mystery objects for the class to discuss next week.
