ACTIVITY OF THE WEEK –

OH I DO LIKE TO BE BESIDE THE SEASIDE

We had a wonderful day at the seaside. The children thoroughly enjoyed building sandcastles, collecting differently shaped shells and stones, and marvelling over the jellyfish in the water. Avyaan, Anvit and Yashveer said “we are collecting big stones and pebbles for our shop.”

While playing in the sea, Khamiyah said “my mouth’s so salty from the water!” Anita and Lindsay got soaked through standing in the sea while being splashed by children – it was all such good fun!

We finished our day with delicious ice creams before heading back home on the coach. When they got back to school, Isaa told Ky that he touched a crab. Lots of sleepy children -and adults- to end a truly wonderful day.

UPDATES FROM SARAH JANE

It was lovely to see all of our families at the Tiger Class graduation last week. Listening to Lindsay speak about each child's unique qualities and personality was really special. Thank you again for all of your support, positive feedback and fantastic engagement this year; it really is a wonderful partnership that I am looking forward to building on when we return in September! Please read the details below on where to bring your child when they start Year 1 on Wednesday 6th September. Have a brilliant summer!

Please bring your child to 20 Brannan Street, London, E14 9ZR. The temporary entrance is to the left side of the building if approaching from the main road and passing The Leap sculpture and water feature. Shireena, Anita, Lindsay, Sarah Jane, Verity, Reema and Zaheeda will be there to greet you.
