

Thursday 12th October 2023

Dear families,

Did you know that Halloween is an ancient traditional festival from Ireland?

Pupils at Mulberry Wood Wharf's celebrate the customs and traditions from all of our cultures here in the UK and around the world.

To celebrate Halloween we will be having a Halloween party. We will all dress up as spooky characters from traditional Halloween stories on Monday 31st October.

We would love it if the children came to school in costumes on that day too but please don't go out and buy anything - this year we will promote sustainability by asking that children come to school in DIY costumes, or a costume that has already been used and worn.

Halloween is not a religious festival, but a cultural tradition from Ireland. It is a day where people tell stories, sing songs, play games, bake cakes and enjoy being with their friends and families.

If you have any questions about this please don't hesitate to ask.

Thank you so much for your continued support - we really appreciate it.

Best (spooky!) wishes,

Mulberry Wood Wharf Team
