

# Talent Fridays

As part of whole-school assemblies on Fridays, we would like to introduce 'Talent Fridays'. Talent Fridays are a wonderful opportunity for pupils to share an extra special talent they are proud of with their peers.

To get your child started, here are some ideas for talents they might want to share:

- Singing a song
- Demonstrating football skills (in football kit), such as 'keepie uppies'
- A special piece of artwork
- Ballet moves
- Karate moves
- Playing a musical instrument
- Many more...

You can start talking to your child about their talents and whether they would like to share them with the rest of the school. Please tell their class teacher know if your child is interested in taking part.

Please note that while our school is growing, this may not take place as part of every Friday assembly.
