

Uniform Recycling

Has your child grown out of their school uniform? Are they an only or youngest child? Do you want their old uniform to find a new home?

If you answered yes to any of these questions, we introduce to you the **Mulberry Wood Wharf Uniform Swap Shop!**

We have a drop-off point in the foyer where you can leave any old and unwanted items of your child's school uniform. We will then offer these items out to our new families.

This scheme reduces cost for our families as well as lowering our environmental impact. If you have no need for your child's old items of uniform, please clean them and drop them off with us so we can reuse them.
