

# Autumn 1 Home Project

## Year 1 Panda Class

All Aboard!

**Home Project: To create a fact file about a place you visited in London.**

Join Katie, Jack and the Lion and travel using Transport for London to explore a London Landmark or visit your favourite place in London.

1. Take a selfie or draw a picture of your chosen place.
2. Write sentences about your day trip
  - Describe your travel route
  - What did you see?
  - What did you do?

**Challenge: If you would like to further your learning**

**Get creative:** Make a model of your landmark using your recycling at home, draw a picture or create a collage using tickets, photos or receipts.

**Get counting:** how many shapes can you spot?, how many stops?, how tall ?or how long?

**Get reading:** Share some facts, retell a story or pick up a leaflet.

**Home Projects due on Monday 16th October 2023**

We will create a Panda Class London Travel book using everyone's fact files and a display of any additional learning. Please get in touch if you have any questions.
